## RESPONSE TO OFFICE COMMUNICATION

**Mail Stop Amendment**

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby respond to the Office Communication mailed September 26, 2006. In the Office Communication, the Examiner states that Applicants' Amendment and Response filed August 16, 2006 is not fully responsive to the Office Action of February 17, 2006. Specifically, the Examiner asserts that the response fails to address the obviousness-type double patenting rejection. Applicants submit herewith a replacement Amendment and Response. The replacement Amendment and Response includes Applicants' response to the obviousness-type double patenting rejection, and is identical in all other aspects to the response filed August 16, 2006.
